*Welcome back - we are looking to open Silver Swan tuition, for the more mature dancers among us. We are also planning to re-open our 'Dance for Anxiety' including emotional freedom technique, by qualified therapist. This has been a huge success for young people and adults in the past. We have a possible venu available, so please let us know if you are interested!*

It is suitable for experienced teens, male and female, and young women returning to a full ballet class.

*Whilst it is possible to offer individual coaching in examination work, we are currently aiming to provide affordable lessons for youngsters that are easy to attend. Our practical approach is to give excellent training but, given the current climate, avoid complicated and expensive committments. We will revue the situation as term progresses.*
